iQ Virtual Series

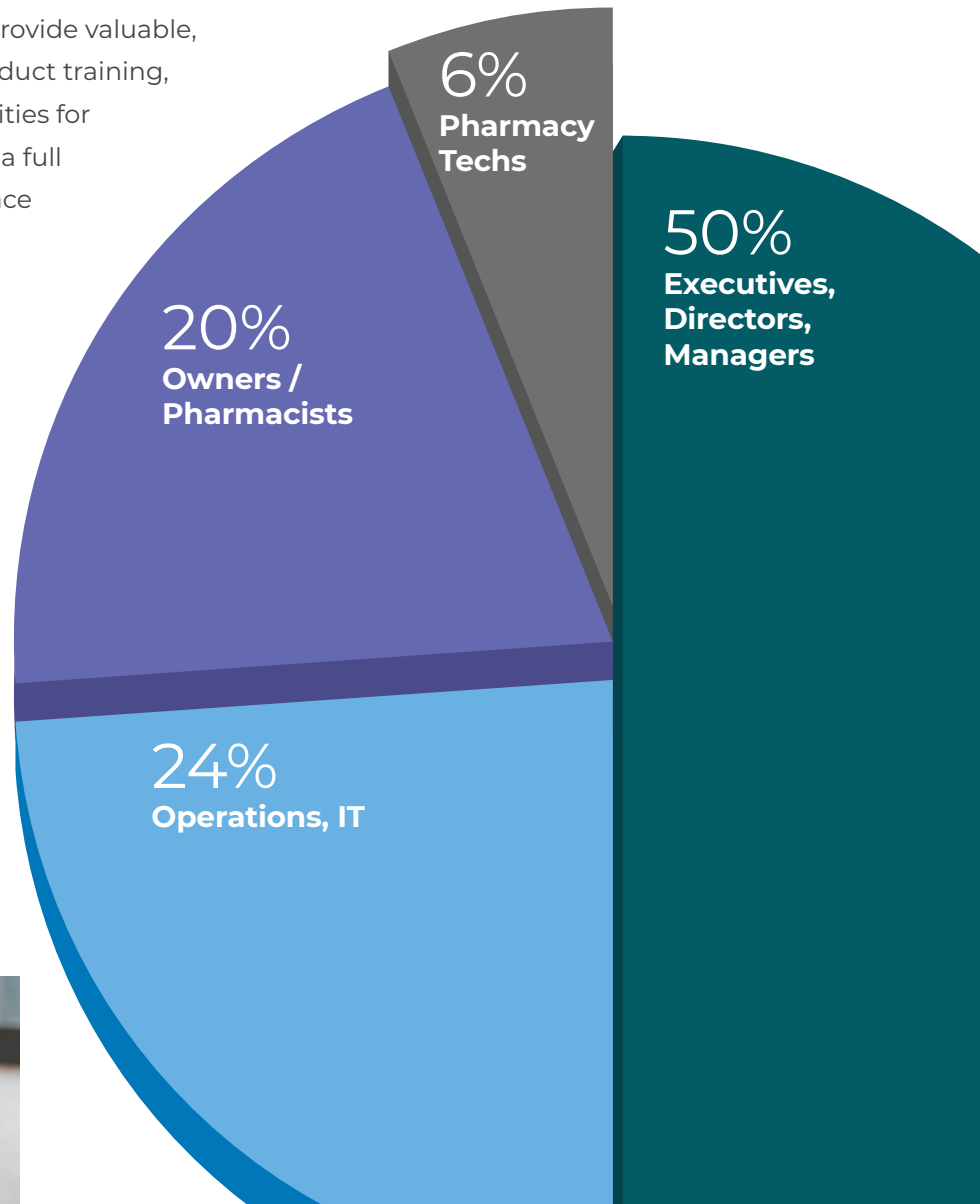

Because connecting and learning are always important, QS/1 and Integra have created this all-new, ongoing virtual series. We're excited to unite our dedicated customers because we believe we are smarter, stronger, and better together.

This virtual education series is designed to provide valuable, flexible interaction – industry education, product training, continuing education credits, and opportunities for networking. Other interactive inclusions are a full Exhibit Hall, live customer panels, the Interface Café, and giveaways.

Each iQ Virtual Series occurs on Live Wednesdays over a three-week period, so you get short, targeted learning opportunities while minimizing time away from running your pharmacy.

Who Attends?

Attendees will include pharmacy owners, pharmacists, directors, managers, IT professionals, pharmacy techs, and a variety of other pharmacy personnel.

Data compiled from customer survey sent in April 2020

Program Highlights

Each series strives to bring you in-depth product training and valuable, timely information about industry and business topics affecting your pharmacy. Information on classes and breakouts can be found at iqvirtualseries.com.

Series 2: Program Highlights

- RedSail leadership talks strategy and direction
- Lou Ann Brubaker on staff recruitment and retention
- Community training on HealthMinder, MedSync, and 340B
- LTC training on rebill updates and searching in DocuTrack
- Intro to Mevesi and What's New?
- DeliveryTrack 6.2 and processing deliveries in PrimeCare SP 32
- Discover special discounts and giveaways from vendors

CE Credits

ACPE® accredited CE credits (for pharmacists and techs) will be offered. The number available will vary series to series, based on the program. Please reference the program on Page 4 or visit the program page on iqvirtualseries.com.

Interface Café

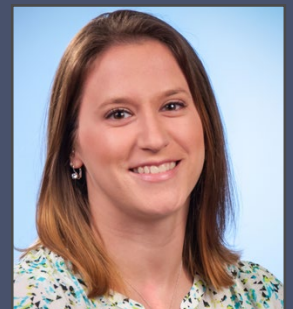

In the event, drop in at the café to talk to experts and explore interfaces and options offered by QS/1 and Integra.

Chat live or set up meetings with four interface experts – two from each business unit.

How Virtual Works

The iQ Virtual Series allows you to progress without interrupting your daily operations. Each event is free for attendees and runs for 2-3 hours every Live Wednesday.

How does it work?

You can enter the event on your desktop, smartphone, or both!

Desktop

1. Visit iqvirtualseries.com.
2. Register.
3. Receive an email with login and password credentials.
4. Login at iqvirtualseries.com.
5. Enter the event.
6. Select your classes and explore the site.
7. Join on Live Wednesdays to attend.

Smartphone

1. Visit iqvirtualseries.com.
2. Register.
3. Receive an email with login and password credentials.
4. Go to the app store on your phone.
5. Search for iQ Virtual Series.
6. Download the app.
7. Login using your email and password.
8. Enter the event.
9. Select your classes and explore the site.
10. Join on Live Wednesdays to attend.

What technology do I need?

All you need is a desktop computer **OR** smartphone.

If using a desktop and you want to dive deeper into private virtual meetings, you will need a web camera and microphone. If using a smartphone, this functionality is built in.

Please utilize Chrome Browser.

Virtual Exhibit Hall

We expect a wide variety of pharmacy industry exhibitors in the iQ Virtual Exhibit Hall. These vendors are leaders in their fields and valuable partners to us and you, their customers. Take some time to pop into the Exhibit Hall after or before attending your virtual classes.

Visit our site any time to further explore the Exhibit Hall. Vendors have built out their booths with valuable information, like videos, staffing, and product documentation.

During Live Wednesdays:

Chat with booth staff.

Any other time you visit our site:

Schedule a meeting.

Send an email.

iqvirtualseries.com is
ALWAYS LIVE!

Registration
